NOTICE OF PUBLIC HEARING

Proposed Amendments to the 2014 Major Thoroughfare and Freeway Plan (MTFP)

The City of Houston Planning Commission will hold a **public hearing on Thursday, July 16, 2015 at 2:30 p.m. in the City Hall Annex Building, Council Chambers, Public Level, 900 Bagby Street, Houston, Texas, 77002.** The purpose of the Public Hearing is to allow interested citizens to be heard concerning proposed changes to the 2014 Major Thoroughfare and Freeway Plan (MTFP). The MTFP identifies right-of-way needs and proposes roadway alignments within the city limits of Houston and its Extraterritorial Jurisdiction (ETJ). The MTFP does not initiate the timing of right-of-way acquisition or construction activities related to the roadways.

Information on each proposed amendment will be available for public review at an **open house to be held on Thursday, June 25, 2015 from 5:30 p.m. to 7:30 p.m. at the United Way Community Resource Center, 50 Waugh Drive, Houston, Texas, 77007.** The applicants and Planning and Development Department (P&D) personnel will be available at the open house to answer questions.

This notification letter has been mailed to property owners and registered civic associations adjacent to roadways included the amendment request. Included in this notification package is information about the specific amendment which may be of potential interest to the respective property owner and provides answers to some frequently asked questions.

In addition to comments made at the Public Hearing, **comments submitted by July 3, 2015, using the online comment form** available on the website listed below, will be taken into account by the Planning Commission before making a decision on amendment requests. Additionally, the Commission will weigh information provided by P&D and other government transportation agencies in the Houston region. Four weeks after the public hearing, on August 13, 2015, staff will present recommendations to the Planning Commission. The Planning Commission will vote on each amendment and forward its recommendations to City Council by September 1, 2015. Once an ordinance for the amendments has been adopted by City Council, a new MTFP will be published by the City. More information about the MTFP and proposed amendments are available on the Major Thoroughfare and Freeway webpage at www.houstonplanning.com. The information can be found by selecting "2015 MTFP Amendment Requests" link under "Announcements" at the bottom of the page. You may contact the Planning & Development Department at 832-393-6600 or email amar.mohite@houstontx.gov.

2015 Major Thoroughfare and Freeway Plan (MTFP) Amendments

Frequently Asked Questions

Q What is a Major Thoroughfare and Freeway Plan (MTFP) Amendment?

A The City of Houston's MTFP was first adopted by City Council in 1942. It is a long range plan that provides for a system of thoroughfares and collectors to support overall mobility. It does not deal with timing of right-of-way acquisition or road construction. The Plan is updated through an annual amendment process. Amendments generally delete, add or modify a portion of a planned Thoroughfare or Collector. Streets such as Hillcroft Avenue, Kirby Drive, and FM 2100 are examples of planned Major Thoroughfares that have matured over the years. The Plan will continue to be modified in order to meet Houston's growing transportation needs.

Q What is an alternative?

A When the City receives an application to amend the MTFP, staff evaluates the proposed request and studies the adjoining area's major roadway network. The Planning Department (P&D) may identify and evaluate other options in the area, other than the one submitted by the applicant. Such options will be presented as alternatives at the Open House so that all interested parties are aware of options being considered by P&D and Planning Commission.

Q I received a letter from the City. Why? What does this have to do with me?

A If you have received a notice in the mail from the City, it means that our records show you own property that may be impacted by a proposed amendment to the MTFP. Please read the enclosed report to learn more about the proposed amendment that may specifically impact you and your property.

Q My property is located in the County, not within the City limits. Why is the City dealing with issues in the County?

A The MTFP covers not just the major road network within the City limits, but also within the City's Extra Territorial Jurisdiction (ETJ). This allows transportation needs to be addressed on a regional basis.

Q I am concerned about a proposed amendment. What can I do?

A First, you can find out more about the amendment request in the following ways:

- Read the report that was included in the mail out; see other helpful links on our website (*see below*)
- Go on-line to review the application and letter of justification submitted by the applicant:
↳ www.houstonplanning.com– click 2015 MTFP Amendment Requests under Announcements
- Attend the public **Open House** to meet with the applicant, talk to City staff & fill out a comment form:
↳ Thurs. June 25, 5:30-7:30 p.m., United Way Community Resource Center, 50 Waugh Drive, Houston, Texas, 77007 (*see map on reverse*)
- Contact the Planning Department staff and/or the applicant

Then, if you would like to make your concerns known to the City you can:

- Write an email, letter or fax to the City expressing your concerns
- Attend the **Public Hearing** and speak directly to the Planning Commission
↳ Thurs. July 16, 2:30 p.m., City Hall Annex Council Chambers, 900 Bagby, Houston, 77002 (*see map on reverse*)

Q What is going to happen at the public Open House on June 25? (*see map on reverse*)

A There will be map displays and information about each amendment request. You can walk around and view the information and learn more about the amendment requests that are of interest to you. You will also be able to have one-on-one conversation with the applicants and P&D staff. Also, you can learn more about what will happen at the public hearing and how you can best express your concerns to the Planning Commission.

Q What is going to happen at the Public Hearing on July 31? (*see map on reverse*)

A The Planning Commission holds a Public Hearing to provide an opportunity for concerned citizens to make their views known publicly. Comments submitted by July 3, using the online comment form on the website (refer to instructions above to locate the link on the website), will also be taken into account by the Planning Commission in making a decision on amendment requests. Additionally, the Commission will weigh information provided by the P&D staff and other government agencies concerned about transportation in our region.

Q Who decides what to do?

A Four weeks after the Public Hearing, P&D will present its recommendations to the Planning Commission. The Planning Commission will vote on each amendment and forward its recommendations to City Council by September 1, 2015. Once an ordinance for the amendments has been adopted by City Council, a new MTFP will be published by the City and made available as a reference to other agencies and the public throughout the year.

PRELIMINARY REPORT

2015: E11 – *Mason Road*

APPLICANT: Harris County Engineering Department

KEY MAP: 405, 406

JURISDICTION: Harris County

LAMBERT: 4560

DISTRICT/PRECINCT:

Harris County Pct.: 3

PROPOSAL:

Harris County is requesting the realignment of Major Thoroughfare Mason Road, between Beckendorff Road/West Little York and Clay Road, on the Major Thoroughfare and Freeway Plan (MTFP).

APPLICANT'S JUSTIFICATION and HISTORY:

The applicant contends that development activity is accelerating in this area following the opening of Grand Parkway Segment E in 2013. A General Plan has been submitted in 2014 for Westfield Village to the east of Mason Road. Mason Road right-of-way (ROW) has not been dedicated, nor is there an existing road for this segment of Mason Road. The realignment of Mason Road may need to have two 1,500 foot radii curves to create a 90-degree intersection at Kieth Harrow Boulevard to match the existing pavement at Clay Road and to not impact the adjacent Mason Lakes Sec 3 subdivision. The applicant also states that a variance from Chapter 42 ordinance would be needed when this property is platted.

The applicant contends that the amendment request for the realignment should be considered because the current alignment places the intersection of Kieth Harrow Boulevard/Mason Road within 600 feet of the Grand Parkway-Kieth Harrow Boulevard overpass. Although there is an existing overpass for the Grand Parkway over Kieth Harrow/Stockdick School Road, built in 2013, this is potentially problematic if a diamond or cloverleaf interchange is constructed in the future. Eastbound traffic on Kieth Harrow Boulevard would be backed up because of the signal at Mason Road. This realignment should also be considered for the Mason alignment to have 90-degree angles at Clay Road and Kieth Harrow Boulevard, as well as to not be in immediate proximity to the Grand Parkway.

The applicant states that frequent access connections and closely spaced traffic signals are a recipe for congestion on major roadways. This could also cause vehicle crashes due to the queuing of vehicles caused by the congestion.

Mason Road existed as an unnamed thoroughfare on earlier MTFPs. In 1969, a small thoroughfare segment between FM 529 and Kieth Harrow Boulevard, along the west side of the Grand Parkway, was created. This segment then extended further in 1979. The proposed Mason Road alignment existed as a Major Thoroughfare from Botkins Road to US 90A (South Main Street). In 2002, the Grand Parkway alignment was further defined; it overlaid the Mason Road alignment from Kieth Harrow Boulevard to West Road.
